

How does it work?

S.O.A.P.

S – Scripture

Open your Bible to the reading found under today's date of your Bible bookmark. Take time reading and allow God to speak to you. When you are done, look for a verse that particularly spoke to you that day, and write it in your journal.

O – Observation

What do you think God is saying to you in this scripture? Ask the Holy Spirit to teach you and reveal Jesus to you. Paraphrase and write this Scripture down in your own words in your journal.

A – Application

Personalize what you have read, by asking yourself how it applies to your life right now. Perhaps it is instruction, encouragement, revelation of a new promise, or corrections for a particular area of your life. Write how this Scripture can apply to you today.

P – Prayer

This can be as simple as asking God to help you use this Scripture, or it may be a greater insight on what He may be revealing to you. Remember, prayer is a two-way conversation, so be sure to listen to what God has to say! Now, write it out.

H.E.A.R.

Highlight: This would be the verse from the passage that jumps out to you the most. So if I am reading John 3 then maybe this would be John 3:16. You would want to write this verse out.

Explain: In the explain section you would take the verse or maybe a different portion of the text and see to explain in more in your own words or to provide some insight into the text. This would be where you use some basic skills of interpretation (maybe another future post). Some of this is just asking who, what, why, when, where, how.

Apply: You would take a few minutes and think and pray about how God would apply this verse or passage to your life. Be looking for ways to immediately apply and not just looking at doing something in the future. You want God's Word to change your life and this is a great place to start.

Response: This would be a prayer of response to God regarding the verse and passage that was read. And asking God for the strength in implementing the application of the text.
